## Terri Osburn

terri osburn hence simple!

It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

...

Meant to Be is a refreshing, fun, grab-you-from-the-get-go romance! It's very well written and hard to believe this is Terri Osburn's first novel! The story begins as Beth Chandler travels to a small island off the NC coast to begin a two week visit with her future in-laws.

## **Meant to Be (Anchor Island, #1) by Terri Osburn**

This tiny barrier island at the base of the Outer Banks serves as the perfect backdrop for falling in love. Anchor Island is remote, accessible only by ferry, and so separated from the rest of the world that it doesn't even offer cell service.
